- 2) Number of Indian teacher-aides in such a program
- 3) Cost of program
- 4) Number and percent run by tribe, state/province, public school district, federal government
- 5) Listing and description of innovative programs

B. K-12/13

- 1) Number in K-12 during 73/74 school year
- 2) % in public, private and federal schools (including joint schools)
- 3) Federal moneys spent on public and private schools for Indians, and money spent for federal schools
- 4) Tribal moneys spent for education at this level
- 5) Number of Indian controlled schools and their funding
- 6) Drop-out schedule

C. Post-Secondary

- 1) Number in vocational and technical
- 2) Number in College and University
- 3) B.I.A./D.I.A. funding of vocational and technical
 - a) description of process
 - b) amount per student
- 4) B.I.A./D.I.A. funding of college and university
 - a) description of process
 - b) amount per student
- 5) B.I.A./D.I.A. training programs, other training programs
- 6) Tribal moneys spent
- 7) Graduate level, number of students in law, medicine, business, education, others

D. B.I.A./D.I.A. Education Budgets - Administrative Costs

.../vi
E. Special Programs

- 1) Indian junior colleges
- 2) Education Associations
- 3) Textbook projects

V ECONOMIC DEVELOPMENT

A. Labor Force - Age Groups

B. Income

- 1) Average income
- 2) Compared to national norm

C. Programs Available and Source

D. Moneys Spent for Indian Economic Development

- 1) Federal
- 2) State/provincial
- 3) Compared to money spent by Federal governments in selected developing countries

E. Industrial and Tourism Development

- 1) MAP of sites
- 2) Number of factories, tourist facilities and other tribally owned businesses
- 3) Types of developments, including tribal ownership and control
- 4) Service industries - individual ownership
- 5) Estimated present income to tribes from Industrial Developments

F. Natural Resource Development

- 1) Agriculture
 - a) Number of agribusiness operations, types of ownership and control
 - b) Leasing of lands, examples
 - c) Estimated income to tribes and individuals
- 2) Aquaculture
- 3) Forestry
 - a) Number of forestry developments and number of tribes with forest resource
 - b) Number of mills, types of ownership and control
 - c) Estimated income to tribes and individuals

- 4). Minerals - types of development, leasehold system
- a) gravel
 - b) uranium
 - c) coal
 - d) oil and gas
 - e) other minerals - copper, iron, phosphates

G. Selected Innovative Developments

VI. HEALTH

A. Availability of Health Care

- 1) Number of hospitals and/or clinics on and off reservations/ reserves
- 2) Number of doctors, nurses, dentists and other medical personnel in the Indian Health Service in U.S.
- 3) Money spent on Health Care for Indians

B. Incidence of Disease with death rate

- 1) Tuberculosis and other respiratory diseases
- 2) Cirrhosis of the liver
- 3) Heart disease
- 4) Cancer
- 5) Other diseases

C. Mortality

- 1) Mortality rates including 10 highest causes of death
- 2) Infant mortality rate

D. Preventive Care

- 1) U.S. Indian Safety Council
- 2) Alcohol programs - including moneys spent
- 3) Drug programs - including moneys spent
- 4) Other preventive programs
 - a) Community Health programs
 - b) In Med.

- A. Prison Population
- B. Types of Offences
- C. Sentencing
- D. Recidivism
- E. Tribal Courts

II HOUSING

A. Need

- 1) Number of houses needed, in need of repair and number of sub-standard houses
- 2) Houses built 1973-74 and houses authorized

B. Programs Available

C. Indian Housing Authorities and Other Types of Tribal Control

PUBLIC ASSISTANCE AND CHILD WELFAREA. Public Assistance on Reserve/Reservation

- 1) Programs available (include family allowances) - categorical breakdown of people in each - urban and reserve ?
- 2) How managed
- 3) Total moneys spent on welfare and how much is administrative (estimate)
 - a) B.I.A./D.I.A.
 - b) State
 - c) Tribe

B. Child Welfare Service

- 1) Number of children receiving services
- 2) Who offers services - state, federal, tribe
- 3) Foster care
 - a) Indian and white homes
 - b) Private care - government foster care

C. Nursing Homes

- 1) Number or list
- 2) How administered
- 3) Cost

D. Tribal Programs and Tribal Federal Programs

(X) TRIBAL STRUCTURES

A. Population and Land

B. Tribal Organization

- 1) Council-Government, especially involvement in B.I.A./D.I.A.N.D. budgetary process
- 2) Administration - organization and services
- 3) Income

C. B.I.A./D.I.A.N.D.

- 1) Organization and services
- 2) Employees
- 3) Budget

D. Federal Programs and Provincial/State Programs

E. Tribal Programs

F. Public Assistance and Child Welfare Services

- 1) Public Assistance Categories
 - a) amount spent and source
 - b) administration
- 2) Child Welfare Services
 - a) foster care
 - b) adoption
 - c) other services

G. Education

- 1) Pre-kindergarten
- 2) K-12
- 3) Post-secondary - vocational and technical
- 4) Post-secondary - college and university

(X) TRIBAL STRUCTURES

A. Population and Land

B. Tribal Organization

- 1) Council-Government, especially involvement in B.I.A./D.I.A.N. budgetary process
- 2) Administration - organization and services
- 3) Income

C. B.I.A./D.I.A.N.D.

- 1) Organization and services
- 2) Employees
- 3) Budget

D. Federal Programs and Provincial/State Programs

E. Tribal Programs

F. Public Assistance and Child Welfare Services

- 1) Public Assistance Categories
 - a) amount spent and source
 - b) administration
- 2) Child Welfare Services
 - a) foster care
 - b) adoption
 - c) other services

G. Education

- 1) Pre-kindergarten
- 2) K-12
- 3) Post-secondary - vocational and technical
- 4) Post-secondary - college and university
